

## Prevent Duty

At Fairfield High School for Girls, we have a statutory duty to prevent young people from being drawn into radicalisation and terrorism.

We aim to build pupils' resilience to radicalisation by promoting fundamental British Values of:

- Democracy
- The rule of law
- Individual liberty
- Mutual respect
- Tolerance of different faiths and beliefs

At Fairfield High School for Girls, we create a safe environment in which young people can debate controversial issues.

We promote the SMSC development of pupils and, within this, fundamental British Values through the curriculum, the enrichment programme and the whole school Experience Days.

All staff have undergone Prevent awareness training to equip them to identify children at risk of being drawn into terrorism and to challenge extremist ideas.

At Fairfield High School for Girls, we ensure that our young people are safe from terrorist and extremist material online.
