

September 2023

Dear Parents/Carers

Open Evening – Thursday 5th October 2023

As the Headteacher of Fairfield High School for Girls, I would like to extend a warm invitation to you and your child to join us at our forthcoming Open Evening on **Thursday 5th October from 6.00pm-8.00pm.**

Should you be considering Fairfield as one of your preferences for September 2024, I encourage you to attend our Open Evening in order to find out as much as possible about us before you make your final decision. If you are planning to attend, we ask that you do not arrive at the school any earlier than 5.50pm.

Please also note that, as we are in a residential area, you will not be able to park in Fairfield Moravian Square, on Fairfield Avenue, on Broadway and neighbouring streets or within the school grounds on this particular evening. Therefore, we ask that you park outside of the immediate area and access the school on foot. If you are a blue badge holder, please contact the school directly to make alternative arrangements.

We would like to apologise in advance for any inconvenience caused by the school's limited parking arrangements and we appreciate your understanding of the difficulties that this lack of provision inevitably causes. Our neighbours respectfully request that you please make other transport and parking arrangements in order to minimise traffic congestion in the area on the night. We are however, in discussion with some local communities in order to source some parking in the surrounding area. Please keep your eye on our website where we will update this information before the Open Evening.

In addition to the above, if you are unable to attend the Open Evening, we are pleased to offer a tour/meet and greet at school on Monday 2nd October, Tuesday 3rd October and Wednesday 4th October between 9am-10.15am. Places are limited to 3 per family and are bookable via a link on our school website, www.fairfieldhighschool.co.uk. Come and see a typical day of learning; it is a very special place to learn and work. Once again, the class of 2023 achieved amazing examination results, placing us as one of the highest achieving schools for pupil outcomes both in the North West and nationally.

We really look forward to meeting you.

Yours faithfully

Mrs S Bateman
Headteacher
