Aims

At Fairfield High School for Girls we have extremely high expectations of our pupils in all aspects of behaviour. These expectations extend to our high standards around uniform. Our pupils must look smart at all times both in and around the school grounds and when in the community, recognising that they are our ambassadors for our school. There is a visual uniform guide for parents/carers at the end of this policy.

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform.

Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all pupils.
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable.
- Allow pupils to wear headscarves.
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents/carers to get in touch with Dr James Beckett, who can answer questions about the policy and respond to any requests.

Our school uniform requirements:

Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

A recent LA survey across Tameside Secondary Schools (January 2022) revealed that the cost of the Academy Uniform is competitively priced, in line with most schools and cheaper than some which had more expensive uniform requirements or suppliers.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics where possible
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as polo shirts
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler
- Avoiding different uniform requirements for each different year
- Avoiding different uniform requirements for extra-curricular activities
- Considering alternative methods for signaling differences in groups for interschool competitions, such as creating posters or labels
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

Second-hand items

Any unclaimed items of lost property, together with donations of clean, good condition, outgrown or leavers' uniform items can be made available to all families at no cost.

We ask that families use these items to minimise waste and protect the environment.

Items can be requested discreetly through the 'admin' email on our website.

Hardship fund

The school maintains a limited hardship fund which supports families in need, helping to ensure that every child has opportunity to participate fully in school life. This includes helping families who are struggling to meet the costs of uniform, particularly branded items which cannot be purchased from general retailers.

Applications should be made in writing to the Headteacher, who has the final decision about allocation of this fund, made in consultation with senior and pastoral colleagues. The hardship fund is finite and requests will be processed in the light of available resources. Whilst we offer no guarantees that every application will be successful, we encourage those who are in genuine need to consider this as a viable option.
