

13th September 2024

Dear Parent/Carer

Re: Year 11 Curriculum Evening – Thursday 19th September

I would like to invite you to our Year 11 Curriculum Evening which is taking place next week. The event is for parents and carers and will focus on key messages about the year ahead and the support available during Year 11 and is an opportunity to talk to some college representatives.

The event follows our **Post 16 Convention** which is taking place on Wednesday 18th September, during the school day. This is an opportunity for pupils to gain knowledge about the pathways available to them after Fairfield. Many of the colleges will also be in attendance at our Curriculum Evening so that you can speak to them about the courses and pathways on offer.

The evening will take place on **Thursday 19th September**. There will be a prompt start at 5.30pm and it will last around 1 hour 15 minutes. Refreshments will be available from 5.15pm.

Programme

5:30pm-6:15pm – Senior Leadership Team Presentation in the Hall

- Year 11 timeline
- Coursework and NEAs
- BTEC set assessments
- Assessment and examination regulations
- The Successful Learner Programme and preparing for exams
- Intervention, support and wellbeing

6:15pm-7:00pm

- Presentations from the English, Maths and Science faculties
- Representations from local colleges and Post-16 providers available to discuss pathways and courses.

This evening will be hugely beneficial in giving you a good understanding of how we work together to support your child in achieving the excellent outcomes Fairfield is known for. Due to the number of parents/carers invited and our space limitations, we would appreciate it if on this occasion only one parent/carer per family attend. Your child is expected to wear full school uniform.

Please complete the Microsoft form here to confirm your attendance:
